Your Excellency,

On behalf of my colleagues at the International School for Holocaust Studies at Yad Vashem, I would like to thank you for all of your support in enabling teachers from the Republic of Srpska to participate in professional development seminars on the history of the Holocaust at our School as well as translating the Yad Vashem/ODIHR guidelines for educators on how to prepare Holocaust Memorial Days into Serbian.

These guidelines are now in thirteen languages, and we are very pleased to make them available to educators via our website. In addition, we sincerely hope that we will be able to distribute them to Serbian educators with whom we have worked with over the past few years.

My colleague, Orit Margalio, recently met with your colleague, Bishop of Novi Sad Irinej, and I sincerely hope that we shall have more opportunities to promote our common goals in the future.

Once again, we thank you for all of your support and efforts to promote Holocaust education and remembrance.

Sincerely,

  
Richelle Budd Caplan  
Director, International Relations  
International School for Holocaust Studies
